

Meet Greg Lightfoot.

VIC Committee

The Short...

With a 25+ year career in all facets of the hospitality industry, including as a chef, Greg has extensive skills in leadership and operations. Coupled with his love for food and wine, Greg is an asset and great mentor to the new faces of the industry.

He is currently the Area Manager for Santé Wines.

The Long...

Greg began his career as a waiter in Melbourne and in London. His brief stint as a chef prompted him to get back to the floor, where he was mentored by peers who were also members of Sommeliers Australia.

A certified sommelier, Greg was part of the team that got Vue de Monde their 3 hats. He has worked in many roles in the Rockpool family: in management, as a sommelier, and also in training and development.

He made his mark in the business side of the industry at De Bortoli as their on-premise Sales Manager.

The extensive network in F&B that he has cultivated all these years continue to look upon him as a trusted voice in the world of wine.
