

Meet Sarah Andrew.

VIC Committee

President of National Committee

The Short...

With a passion in bringing diversity and inclusivity into the world of hospitality, Sarah sits on various committees in the global stage with a strong focus on D&I, including Sommeliers Australia, WSET and ASI.

Sarah also established Selador Wines, which has been in operation since 2005.

The Long...

Sarah comes with a wealth of knowledge from both the business and the service side of wine, which speaks to her heart in bringing greater connection between those two sides of the industry.

She has completed the Certified Sommelier exams, and is a WSET Diploma graduate and certified educator in both Wine and Spirits. Her experiences stem from her roles in Business Management with WSET, Fine Wine Partners, House of Fine Wine, and of course, her own Selador Wines.

Sarah is fascinated in hearing tales of her peers' journey into wine, as it illustrates the camaraderie and generosity this industry aims to embody.
