

## Meet Susei Ko.

*VIC Committee*

### The Short...

Susei's career in the hospitality industry spans over 20 years, making her one of the stalwarts and pillars of the sommelier community in Victoria.

With fingers on the pulse of the Melbourne wine scene, Susei started SK Hospitality, an on-premise restaurant and wine consulting company, in 2023.

### The Long...

Hailing from South Korea, Susei rose through the ranks as she worked at some of the best restaurants in Victoria, including Attica, Kisume and Doot Doot Doot. Her varied knowledge and qualifications in wine and sake has earned her numerous wine list awards, including the highly coveted 3 Wine Glasses by Gourmet Traveller, consecutively for three years.

But it is Susei's skill in service and her genuine love for people and connection - with customers and colleagues alike - that has made her a much respected member of the industry.

Her motto, 'Knowledge is power', drives her to stay curious and humble as she continues to learn in the vast and ever-evolving wine world.
