

## Meet Trent Everitt.

*WA Committee*

### The Short...

Trent wears many hats – mostly wine related. He is the Sommelier at Besk, and in his spare time is an account manager for Vintage Fine Wines.

He is also a wine educator, teaching wine classes at Besk and the Wine Education Centre (WA).

### The Long...

Wine is a fairly recent career change for Trent who, almost by accident, enrolled in WSET whilst living in Durham, UK during Europe's frost-prone vintage of 2017.

With a WSET Level 3 certificate, he moved to Perth and worked as a Sommelier at Rockpool. A few years later he found a new home in Besk, where he was awarded a 3 Glass rating in the Wine List of The Year Awards, for three years running.

As a devotee of the wine world, he also finds himself judging wines at the WA Good Food Guide Awards and happily involved, as a committee member, with Sommeliers Australia and The WA Wine Press Club.
